

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

Certificate for Stockpond Water Right

CERTIFICATE NO.: 611

DATE OF FILING: January 4, 1977

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

Jess J. Tacherra
P.O. Box 67, 160 Mesa Road
Bollinas, CA 94924

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (State Water Board) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the State Water Board that the stockpond described herein had a capacity of 10 acre-feet or less on January 1, 1975; that the stockpond was constructed prior to January 1, 1969; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

Therefore, the State Water Resources Control Board certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1, to collect and hold in storage 7.3 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On an Unnamed Stream tributary to Pacific Ocean
being within the NW¼ of SW¼ of Section 24, T1N, R8W, MDB&M
in the County of Marin.*

The claimant's water right priority of this certificate is 1939, the date of construction, and is subject to other stockpond water rights on which certificates have been issued by the State Water Board with an earlier priority, to appropriative water rights with an earlier priority initiated prior to December 19, 1914, to water right permits or licenses issued prior to January 1, 1975, and to riparian rights.

DATED: **FEBRUARY 23 1994**
